

GAS CONNECTORS

Bayonet Gas Cooker Socket

1/2" BSPF Chromed Floor Bayonet Socket

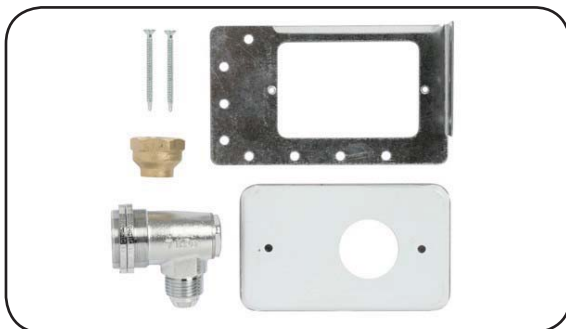

#BM1510151

Bayonet Gas Cooker Socket

1/2" BSPM x 90° Plain Brass

#BM1510158

Bayonet Gas Cooker Socket

Stainless Steel Bayonet Wall Socket

#BM1510920

Bayonet Connector Hose Kit

1/2" BSPM x 90° plain brass bayonet socket and 1/2" x 1200mm 10mm stainless braided hose

#BM1510158KIT

Bayonet Connector Hose

10mm stainless braided hose
 1/2" BSP x Male Bayonet x 1.2m
 #BM10HCS1200
 3/8" SAEFF x Male Bayonet x 2.0m
 #BM10HAS2000
 1/4" BSPFF x Male Bayonet x 1.5m
 #BM10HBS1500

Dormont Stationary Appliance Gas Connectors

- Flexible stainless steel
- PVC coated for food industry service
- 1/2, 3/4 & 1" diameter available
- 900 & 1200mm long available
- Male / female end fittings
- Male end fitting internally threaded

#DR20054, 1/2" x 900mm

#DR20055, 1/2" x 1200mm

#DR20074, 3/4" x 900mm

#DR20075, 3/4" x 1200mm

#DR20105, 1" x 1200mm

Dormont Castor Mounted Appliance "Blue Hose" Connectors

- Heavy duty corrugated 304 stainless steel
- Tight weave outer braid prevents overstretching
- PVC coated for food industry service
- 3/4 & 1" diameter available
- 1200mm long
- Male / female end fittings
- Male end fitting internally threaded

#DR036248, 3/4" x 1200mm

#DR036348, 1" x 1200mm

Dormont "Supr-Safe" Stainless Steel Gas Connectors

- Ideal for final connection in lieu of solid pipe
- 1/2, 3/4, 1 & 1 1/4" diameter available
- Various lengths available
- Male / female end fittings
- Male end fitting internally threaded

#DR22012, 1/2" x 300mm

#DR22018, 1/2" x 450mm

#DR22024, 1/2" x 600mm

#DR22030, 1/2" x 750mm

#DR22036, 1/2" x 900mm

#DR22048, 1/2" x 1200mm

#DR24012, 3/4" x 300mm

#DR24024, 3/4" x 600mm

#DR24036, 3/4" x 900mm

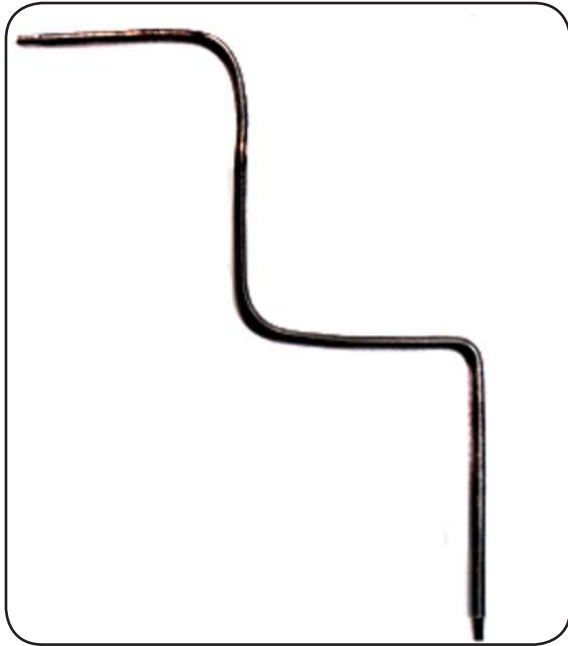

#DR24048, 3/4" x 1200mm

#DR25024, 1" x 600mm

#DR25036, 1" x 900mm

#DR26030, 1 1/4" x 900mm

NOTE: Other lengths available on indent only

Dormont Stainless Steel Flextubes

- Ideal for pilot tubes in lieu of copper pipe
- Fully flexible
- 25mm smooth neck for nut & olive
- Bends around sharp angles with ease
- 1/4, 3/8 & 1/2" diameter available
- Various lengths available

#DR1012, 1/4" x 300mm

#DR1018, 1/4" x 450mm

#DR1024, 1/4" x 600mm

#DR1106, 3/8" x 150mm

#DR1110, 3/8" x 200mm

#DR1112, 3/8" x 300mm

#DR1116, 3/8" x 400mm

#DR1118, 3/8" x 450mm

#DR1124, 3/8" x 600mm

#DR1128, 3/8" x 700mm

#DR1148, 3/8" x 1200mm

#DR1212, 1/2" x 300mm

#DR1224, 1/2" x 600mm

#DR1236, 1/2" x 900mm

NOTE: Dormont will design and manufacture specific connectors to suit individual requirements. (Minimum quantity applies). Please contact SCE for further information and pricing

Dormont "Snapfast" Quick Disconnect Device

- Quick disconnect gas coupling
- One hand action
- Quick connect is self sealing
- Thermal fuse protection incorporated @ 175°C
- 7 kPa pressure rated
- 1/2, 3/4 & 1"

#DR01050, 1/2" npt

#DR01075, 3/4" npt

#DR01100, 1" npt

Dormont "Safety Quik" Cimfast Quick Disconnect Valve

- Incorporates quick disconnect & ball valve in one unit
- Thermal fuse protection incorporated @ 175°C
- Safety feature - safety sleeve only allows disconnection if ball valve is in off position
- Quick connect is self sealing
- 7 kPa pressure rated
- 1/2, 3/4 & 1" npt

#DR02615, 1/2" npt

#DR02620, 3/4" npt

#DR02625, 1" npt

Dormont "swivelmax" Connector

- Full 360° swivel reduces stress on connector
- Allows increased movement at either end of the connector
- 120mm adjustable spring band
- 3/4 & 1" diameter available
- SPDT contacts

#DR02075, 3/4" npt

#DR02100, 1" npt

Dormont Appliance Restraint Kit

- As required by the Building code
- 300mm shorter than corresponding hose length
- Prevents stress on connector when appliance pulled out
- Complete fitting kit

#DR6148, 1200mm Restraint Kit
