S-Click Routine Timer™ Towel Rail Kit (2-Wire)

S CLICK TOWEL RAIL TIMER KIT 2-WIRE

Part No. HNS710RT-KIT

The S-Click Routine Timer™ Towel Rail Kit delivers warm and dry towels at the time you need them.

Features and Benefits:

- Ideal for towel rails in your bathroom
- Adapts to your routine with a single sustained 2 seconds button press
- Automatically turns the power on every day at pre-determined times, then automatically turns off
- Duration times can be pre-set from 1 to 6 hours (factory default 1 hour)
- Holiday mode - suspends routine timer operation to save power, resume routine times with quick tap
- Can be manually operated with a quick tap for turning power on or off at any time
- Can have up to 8 pre-determined routine times per day
- Remembers routine times even after power failure
- Internal clock accurate to less than 5 seconds a month
- Internal battery retains routine times even after power loss - up to 24 hours
- Timer, wall plate and cable clamp included in kit
- Designed, Engineered and Manufactured in Australia
